CANDACE BALMER

Community Development Specialist for New York
845-679-0565 | cbalmer@rcapsolutions.org

Ms. Balmer joined RCAP Solutions in March 1997 after previous experience as Associate Director, Pollution Abatement Technology Program at Westchester Community College and as Project Engineer with Environmental Resources Management, Inc. (ERM).

Expertise:

Ms Balmer has extensive experience in decentralized waste management issues, as well as assisting communities with development of water and wastewater facilities, promoting the SWDA, along with protecting watersheds and water quality.

Education:

M.S. Environmental Engineering
B.A. Anthropology
A.A.S. Water Quality Monitoring

Professional Associations:

Chair, NY Onsite Wastewater Training Network (OTN)
Project Coordinator, Lower Esopus Watershed Partnership (LEWP)
Member, NYC DEP-sponsored Ashokan Reservoir Working Group (ARWG)
