in our Local Communities*

EDWIN VÁZQUEZ-ASENCIO
Sustainable Materials Management Specialist
787-445-0076 | evazquez-aseñcio@rcapsolutions.org

Mr. Vazquez, resides in Ponce, Puerto Rico, primarily focuses on developing waste reduction and recycling programs, with a focus on education and addressing illegal dumping in Puerto Rico. He also assists other Caribbean staff on their other activities in Puerto Rico.

Expertise:

Mr. Vazquez joined RCAP Solutions in 2014 and has over 10 years of experience in Community Education and Outreach. He has worked with public school teachers and students in educating the student community on using recycled materials to create art. Previously, he worked with Art Museum of Ponce overseeing community outreach and communication as well as with the U.S. Census Bureau.

Education:

MBA, International Commerce, Pontifical Catholic University of Puerto Rico
BS in Business Administration, University of Puerto Rico

Volunteer Work and Community Engagement:

- Assisted Dr. Norma Piazza from UPR, Ponce in the study needs for the Federal Department of Education, Title V on the proposal for the development of Spanish study centers using technology. (2006)
- Work in the development process of a proposal for Department of Education by the Ponce Art Museum. (2013)
- Oriented small farmer from Yauco, Puerto Rico about disposal of vegetal material by using the composting process. (2008)
- Founder and developer of literary movement La Peña Literaria. (2006 to present)
- Member of Centro Cultural Carmen Solá de Pereira
