

# RCAP SOLUTIONS

## *Professional Staff Qualifications*

*Creating "The World We Want"  
in our Local Communities*

### **JUAN CAMPOS COLLAZO**

**Community Development Specialist for Puerto Rico**  
**787-374-0196 | [jcampos@rcapsolutions.org](mailto:jcampos@rcapsolutions.org)**

Mr. Campos joined RCAP Solutions in 2002 after 14 years of experience giving technical assistance and improving small communities' water systems as a Department of Health Regional Coordinator. Mr. Campos is a Technical Assistance Provider and acts as a facilitator between communities and agencies like DOH, EPA and RUS RD in water and wastewater projects.

#### **Expertise:**

Mr. Campos offers extensive knowledge of the EPA SDWA regulations that apply to small water systems. He has completed trainings in Sanitary Surveys and CPE given by The Cadmus Group; Security for Small Water Systems given by RCAP Solutions as developed & sponsored by The National Environmental Training Center and Drinking Water System Security Train-the-Trainer Program provided by the Maryland Center for Environmental Training.

#### **Education:**

B. S. Civil Engineering, majoring in Sanitary Engineering from the Polytechnic University of Puerto Rico.

#### **Professional Certifications:**

Emergency Response Plans (ERP) and Security Enhancements for Water Utilities  
Vulnerability Assessments for Water Utilities  
Conducting a Sanitary Survey of Small Water Systems  
Conducting a Comprehensive Performance Evaluation of a Surface Water Filtration Plant  
Certified Check Up for Small Systems Trainer (CUPSS)

#### **Professional Associations:**

Active Member of the Puerto Rico Engineers and Surveyors College (CIAPR for Spanish acronym).
