

# RCAP SOLUTIONS

## *Professional Staff Qualifications*

*Creating "The World We Want"  
in our Local Communities*

### **LUIS M. MELÉNDEZ-FOX**

**Water Specialist for Puerto Rico & U.S. Virgin Islands**  
**787.404.4876 | [lmelendez@rcapsolutions.org](mailto:lmelendez@rcapsolutions.org)**

Mr. Meléndez-Fox joined RCAP Solutions in November 2018. He brings more than 20 years of progressive experience in the engineering and water treatment field. He has served in a number of high level utility management, environmental and engineering roles and has been responsible for managing and supervising a variety of personnel, teams and projects. He has experience in safe drinking water act regulations and coordinating with related agencies including the EPA and DOH. His background includes assessing and installing new technologies, managing projects and consultant contracts, inspections, construction and post-construction management, plant supervision, reporting and statistics. Mr. Meléndez's expertise will make a difference in Caribbean communities that need vital assistance with their drinking water systems.
