

# RCAP SOLUTIONS

## *Professional Staff Qualifications*

*Creating "The World We Want"  
in our Local Communities*

**MICHAEL COHRS**  
**Water Compliance Specialist**  
[mcohrs@rcapsolutions.org](mailto:mcohrs@rcapsolutions.org)

Mr. Cohrs joined RCAP Solutions in February 2018 after serving the Water Resources Community through a role as Applications Engineer for various laboratory equipment manufacturers over the last several years. Bringing over 8 years of classroom and/or technical education experience in math and physics, he has worked extensively with water systems throughout the country to provide training and implementation support on cyanotoxin identification, monitoring and treatment technology. He has performed multiple research development projects in areas ranging from water quality monitoring and complex fluids analysis to food web studies in the Passaic River and radiometric analysis in the Alaskan Tundra.

**Education:**

B.S in Physics and minor in Mathematics, Montclair State University, Montclair, NJ  
B.S in Secondary Education/Language Arts, Canisius College, Buffalo, NY
