

RCAP SOLUTIONS

Professional Staff Qualifications

*Creating "The World We Want"
in our Local Communities*

RICHARD GULLICK, PHD
Water Compliance Specialist
rgullick@rcapsolutions.org

Mr. Gullick joined RCAP Solutions in July 2018. He has served in a number of high level utility management roles and brings over 30 years of experience in the utility, consulting, research and academic sectors of the drinking water, wastewater, environmental, and pollution prevention fields. His background includes leading drinking water and wastewater utility operations, regulatory compliance, and assessment of treatment and distribution system needs. Mr. Gullick's expertise will make a difference in communities that need vital assistance with their drinking water and wastewater systems.

Education:

PhD in Environmental Engineering, University of Michigan
