

# RCAP SOLUTIONS

## *Professional Staff Qualifications*

*Creating "The World We Want"  
in our Local Communities*

### **REBECCA REYNOLDS**

**Community Development Specialist for Maine**

**Swanville, Maine | 207-338-1126 | [rreynolds@rcapsolutions.org](mailto:rreynolds@rcapsolutions.org)**

Ms. Reynolds joined RCAP Solutions in 2009 after 14 years of experience in the water and wastewater field.

#### **Expertise:**

Rebecca has experience in water and wastewater operations, laboratory processes, operator training and asset management. She developed and taught a 30-hour training curriculum for Massachusetts DEP wastewater exam. While at Petersons School of Engineering she created and taught a 72-hour Facilities Management curriculum. While working for the Maine Drinking Water Primacy, Ms. Reynolds reviewed state-wide operator training for content and issued Training Contact Hours (TCH). Currently she works with small water and wastewater systems providing Asset Management training to promote system sustainability. She has developed and presented trainings on Asset Management, Vulnerability Assessments, Emergency Response, and Water Distributions systems. Rebecca serves as project manager, consultant and technical assistance provider to rural communities experiencing water and/or wastewater problems in the Maine area. She serves as a community representative assisting communities with technical, managerial, and financial training to meet state, federal, regulations. Rebecca is a Certified Environmental Specialist.

#### **Education:**

Bachelor of Science in Earth Science/Geography

Emergency Management Institute - Intro to the Incident Command System ICS-100, 200

#### **Professional Certifications:**

Maine Water Treatment IV license

Maine Water Distribution System III license

Department of Environmental Protection, Wastewater Grade V

Certified Community Development Block Grant (CDBG) Administrator

Certified Check Up for Small Systems Trainer (CUPSS)
