JENNA DAY

Deputy Director of Community Resources
508-599-0254 | jday@rcapsolutions.org

Ms. Day joined RCAP Solutions in 2018 as the Community Development Specialist for New England. Previous to joining the organization, she served as the Director of the Housing Consumer Education Center at the Franklin County Regional Housing and Redevelopment Authority. She brings with her a diverse skillset; including building individual and community capacity, as well as supporting the progress and sustainability of rural communities. Her past experience as Town Coordinator in Heath, MA and her long-term role on the local Heath Board of Health provides critical financial and managerial expertise, including extensive budgeting experience. As a former Head Custodian for the Mohawk Trail Regional School District, Ms. Day's experience also includes the operation of a non-transient, non community water system, and a clear understanding of the dynamics of small systems and the importance of training to ensure success.

Expertise:

As the Deputy Director of Community Resources, Ms. Day supports the efforts of the Community Resources team throughout the entire region, including the direct provision of training and technical assistance. She brings extensive experience in water and wastewater, and a passion for overall holistic community development and capacity building.

Education:

Bachelor of Arts in Environmental Education, Goddard College, Plainfield, VT

Professional Certifications:

Very Small Systems Water Operator License, MA
