## *Professional Staff Qualifications*

*Creating "The World We Want"  
in our Local Communities*

### **MARTIN MISTRETТА**

**Water Compliance Specialist for New Hampshire**  
978.514.1067 | [mmistretta@rcapsolutions.org](mailto:mmistretta@rcapsolutions.org)

Mr. Mistretta joined RCAP Solutions in March 2019. He brings more than 30 years of experience in the hazardous waste site remediation field, including operation and maintenance of treatment systems, environmental monitoring and data collection, sub-contractor and construction oversight, excavations oversight, landfill operation, maintenance and monitoring, groundwater, surface water and sediment sampling, health and safety oversight, environmental data analysis and reporting, and regulatory compliance. He has served in a variety of management roles of field work at numerous contaminated sites, as well as supervising a variety of personnel, teams and projects. He has managed public water system operations, consulting for small community public water systems including technical assistance, operation and maintenance, system upgrades and regulatory compliance. Mr. Mistretta's expertise will make a difference in New Hampshire communities that need vital assistance with their water systems.
