

Meet the RCAP Solutions Housing Experts

Informational Webinar for Tenants & Homeowners

Housing Counseling & Financial Services

We'll be discussing homelessness prevention counseling, homebuyer workshops, emergency rent/mortgage assistance, home modification loans, and other supportive services that our Housing Consumer Education Center (HCEC) provides.

Rental Assistance

We manage several voucher programs, which assist low-income renters by subsidizing a portion of their rent. In addition, there are special resources available for current voucher holders, including tools to find housing.

Living Independently

We manage over 380 units of affordable senior, disabled, and family housing throughout Central Mass. Combined with our unique resident services program, we provide our residents with support which enables them to live safely and self-reliantly.
