

## Two Days - Activated Sludge Workshop

**WHEN:** October 1<sup>st</sup> and 2<sup>nd</sup>, 2024

**TIME:** 8:00am - Registration 8:30am – 4:00pm Class

**WHERE:** Westmoreland Conservation District  
218 Donohoe Road, Greensburg, PA 15601

**CREDITS:** 16 Contact hours – W a s t e w a t e r Operators

**COST:** Free / Registration is capped at 30 attendees

**COURSE 3884:** This was developed as a preparatory course for the activated sludge certification exam as well as a refresher for certified operators. Operators will be engaged in active classroom discussion as well as small group exercises. Operators will be provided, in advance of the training dates, with vocabulary and other training material. Successful students will familiarize themselves with this material before the classroom training.

The registration includes the following: interactive instruction and handouts explaining the activated sludge process, exam taking skills and practice, math drills, general knowledge review, concept reinforcement, confidence building, homework, and a supportive learning environment.

### **WHAT YOU NEED TO BRING**

All registrants should bring a calculator, notebook, and pen or pencil. Lunch will not be served but may be ordered in by individuals or groups.
